Dear ZSA Practitioners,

One of the mission of Zhu’s Scalp Acupuncture Research and Education Foundation (ZSAREF) is to provide quality healthcare to the world. I am ecstatic to announce that a team of ZSA volunteers will be heading to Lima, Peru in early March. We will lend our hands and professional experiences to those who do not have the resources in their country, to heal the unfortunates and learn from the lovely people of Peru. Please join me in this meaningful tour.
